Why intern abroad?

Are you looking for work experience abroad?

Do you want to build an international network and jump-start your career?

FU-BEST Internship allows you to gain valuable intercultural experiences by immersing yourself in a German workplace. Whether you are looking into exploring an international career after graduating, or you are interested in German language and culture — Interning abroad will add a cutting edge to your resume and increase your interpersonal skills. You will become more confident in your choices and your future career.

Why Berlin?

Berlin is a major European hub for business, science and the arts. This tremendously dense and diverse network of expertise offers you the perfect canvas for professional and personal growth. The close connection between these fields and Berlin's international university landscape facilitates a dynamic, hands-on approach: the city is currently home to more than 4,000 start-up businesses (and countless more of all sizes).

With this choice and almost 20 years of experience in international education, we at FU-BEST strive to make your internship a meaningful chapter in your professional and personal life.

Program Features

We offer 8-week internship placements (unpaid) with companies and organizations in nearly every career field available in Germany's capital.

- » Internship on a full-time basis (35-40 hours per week).
- » Accompanied by an internship colloquium of 2 hours each week.
- » 12 ECTS credits upon successful completion.
- » As a standalone option or subsequent to a regular FU-BEST Spring semester.
- » Insurance and Public Transportation in Berlin covered by Program Fee.

Application & Fees

- » Applicants need to have completed at least two semesters of university/college level studies.
- » German language abilities are recommended but not mandatory. The main working language can be English or German.

See our website for a detailed breakdown of our Tuition and Program Fees.

Dates

FU-BEST Internship runs from late May to late July. The general application deadline is January 31.
