2022 Baird M&A Pitch Competition

A day of practical experience and networking

Baird's Frankfurt flagship event returns for its 5th anniversary. Spend a day working with other students and learning from our team in a simulation setting. You will grow your real-world talents by developing and presenting an M&A pitch with your team. The day will conclude with the announcement of the winning team, followed by a networking dinner reception with Baird bankers and other students from top European universities. Join us to receive first-hand insights into Baird's culture and the daily work and requirements of an analyst / intern.
